RELATIVE TO ADJOURNMENT SINE DIE

Mr. Jones of Atascosa offered the following resolution:

H. C. R. No. 129, Relative to adjournment sine die.

Whereas, The one hundred twenty day Session of the Legislature expired (Tuesday), May 11th at midnight; and

Whereas, The appropriation bills, emergency measures by the Governor, if any, and such privilege matter as may come before the House will consume several days for deliberation; and

Whereas, The Calendar of the Legislature is congested and progress toward clearing of said Calendar can not reasonably be expected during the Regular Session of the Legislature; and

Whereas, It is important and highly desirable that a day certain be named when the Legislature shall adjourn sine die; and

Whereas, Unless a day certain is named we will not know when the rules of the House with reference to the limitation of the discussion of bills, the seventy-two hour rule, the forty-eight hour rule and other rules of procedure apply; now, therefore, be it

Resolved by the House of Representatives of the Forty-fifth Legislature, the Senate concurring, That the Regular Session of the Forty-fifth Legislature adjourn sine die on Tuesday, May 18, 1937, at twelve o'clock noon.

JONES of Atascosa,
TARWATER,
DAVIS of Haskell.

The resolution was read second time.

Mr. Tennyson moved that the resolution be laid on the table subject to call.

Mr. Leonard moved to table the resolution.

The motion to table was lost.

Question next recurring on the motion by Mr. Tennyson that the resolution be laid on the table subject to call, it prevailed.

The motion prevailed.

TO SUSPEND CERTAIN RULES TO CONSIDER CERTAIN BILL

The Speaker laid before the House, for consideration at this time, the following resolution:

S. C. R. No. 66, To suspend certain Joint Rules.

"Article 776. Where there is a conviction of any felony in any District or Criminal District Court in this State, and the punishment assessed by the jury shall not exceed 10 years, the Court shall suspend sentence upon written sworn application made therefor by the defendant, filed before the trial begins and recommendation by the jury in its verdict that such sentence be suspended. When the defendant has no counsel the court shall inform the defendant of his right to make such application, and the Court shall appoint counsel to prepare and present same if desired by the defendant. This is not to be construed as preventing the jury from passing on the guilt of defendant, but he may

enter a plea of not guilty, nor shall it be construed to deprive the Court of the power to suspend the imposition or execution of sentence and to place the defendant on probation where the jury makes no such recommendation; provided that in all cases sentence shall be suspended, if the jury recommends it in the verdict.

Article 777. When sentence is suspended upon recommendation of the jury as provided in Article 776, said defendant shall be subject in all things to all provisions of this Act.

Article 778. Where application for suspended sentence is made under the provisions of Article 776, the Court shall permit testimony as to the general reputation of the defendant to enable the jury to determine whether to recommend the suspension of sentence and submit such issue to the jury only upon the request in writing by the defendant.

Amend House Bill No. 351, Section 23, by striking out in said Section 23 the words and figures "776 to 781a, inclusive," and by inserting in lieu thereof the following: "776a, 779 and 780," and by changing the figures "790" in said Section 23 to "780."
